| | in results, we are thrilled with ours, particularly the Level | | | |
| | ones, as these are the first cohort of students to have a fully | | | |
| | hub based, place based, local curriculum. We were thrilled to | | | |
| | have a group of 20 students experience a 3 day trip to | | | |
| | Waikato University, where they got to experience a taste of | | | |
| | what life as a university student could be. It is crucial that we | | | |
| | endeavour to provide these types of experiences for our | | | |

| Te Tuakiritanga (Learners | Following our review process last year, we made the decision | | | |

| Capacity, Establishing a Hub | will provide a solid foundation for the year ahead. It was | | | |
| based Junior Curriculum | wonderful to have whānau take up the opportunity to meet | | | |
| | with us when they picked up their students from school. The | | | |
| | informal catchup was in our new lunch area, with drinks and | | | |
| | a BBQ provided. Our newly formed SLT team have hit the | | | |
| | ground running with the change to uniform with the | | | |
| | introduction of shoes and of course the no cellphone policy. | | | |
| | The first few days with uniform proved very busy, however | | | |
| | with a huge effort from our Youth Workers, we believe we | | | |
| | are over the worst of it. The students look amazing. The no | | | |
| | cellphone policy going well. The clear processes which | | | |
